RSVP and join us this Sunday for Lead Closing Event Here!!

Projects:
Get Inspired/Lead Updates

Get Inspired interns search for grants, add content to our website, connect with different networks, and help publicize Sewa.

Interns meet weekly to give updates and acquire new tasks for the week.

Interns have been creating brochures/newsletters, writing articles, searching for venues for events, and maintaining social media pages.

The Lead program was launched this year in South Bay!

Our Lead members attend weekly sessions with guest speakers.

Active community projects include teaching technology to the elderly and visiting restaurants to learn about wasted oils.

Spotlight Interview: Get Inspired Intern Ramya- "I really enjoy this internship because it prepares me for the work field, allows me to put faith in action, and meet people who are also passionate about benefitting the community."

Serve

Sewa offers hands-on volunteer events every month.
