Let’s Join Together to Fight Against COVID 19

NON-MEDICAL RESPONSE ACROSS THE UNITED STATES

Sewa International, USA

Together we serve better...

Sewa International, a leading Hindu faith-based, humanitarian, nonprofit service organization, is providing non-medical advice, support, and services in response to the COVID-19 pandemic. This service is being offered by all of our 43 Chapters across the United States.

To build and deliver robust community response to the COVID-19 crisis, Sewa International is seeking to raise $3.5 million to deliver needed services through a six-pronged approach.
COVID-19 RESPONSE

Sewa International is committed to providing our community with the best possible services during this critical time. Over 1000 volunteers through 43 chapters in the country are working long hours to ensure a formidable community response. Your donation to the Sewa COVID-19 Response Fund will make an immediate, lasting, and positive impact during one of the most challenging times of our lives. Please donate generously.
